

U.S. UTILITY PATENT APPLICATION COVER SHEET

1. Application Information

Title of Invention: Resonance-Excluding Layered Composite Material with Quasicrystal-Disrupted Geometry

Applicant Name: Matthew J. Campbell

Mailing Address: [Insert Mailing Address]

Phone Number: [Insert Phone Number]

Email: [Insert Email Address]

2. Inventor(s) Information

Name: Matthew J. Campbell

Citizenship: United States

Residence: [Insert City, State, Zip]

3. Correspondence Address

Name/Organization: Matthew J. Campbell

Address: [Insert Mailing Address]

Email: [Insert Email Address]

Phone Number: [Insert Phone Number]

4. Entity Status

☒ Small Entity

☐ Micro Entity

☐ Large Entity

5. Application Type

☐ Provisional Application

☒ Non-Provisional Utility Application

6. Fee Transmittal

Fee Category: [Select Fee Type, e.g., Small Entity Utility Fee]

Payment Method: [Check / Credit Card / USPTO Deposit Account]

7. Government Interest

☒ No government support or interest to disclose

☐ The invention was made with government support

8. Attachments

Specification / Description of the invention

Figures / Drawings (if applicable)

Abstract / Summary of Invention

9. Declaration

I hereby declare that I am the original inventor of the subject matter described in this utility application.

Signature: _____

Name: Matthew J. Campbell

Date: _____
